RE: Emergency Agenda Item- Mobile Produce Vendors

At this time and due to the time constraint of not having a regular Commission meeting schedule for the next two months, I would respectfully request to hear the issue of " Mobile Produce Vendors" as an emergency item prior to the Special Meeting Schedule for later today.

For Many years the elderly residents of our City's Senior Housing Projects like Rebecca Towers' Council Towers, etc. have depended because of lack of transportation and nearby grocery stores, on peddlers to buy their fruits and vegetables at their door steps.

Recently the Code Enforcement Division has launched a campaign to issue violations to the limited amount of persons that provide this service. We must consider the hardship that this unnecessary policy is creating for our elderly. To them is a real emergency!
